

2011 Survey Statements from probationers:

- At first, when I was messing up, I didn't like my PO. After I straightened up, I realized he really does care and wants me to succeed! Thanks
- I just truly want to thank my PO and the courts, because without them I wouldn't be building my life back together!
- My PO does a good job. He takes his job seriously, and wants to see me change and succeed.
- My PO made being on probation a lot easier and was a pleasure to be around.
- My PO is very supportive of me, and takes time to listen & advise me. I feel my PO is a great asset to Greene County. I know he will help a lot of people, because he always takes time to listen and help.
- My PO was great! Very easy to reach with questions!
- My PO was an excellent man; and I'm thankful for having someone like him that truly, really cared about me in the way that he did.
- My PO saved my life! Would not buy any song and dance BS & held me accountable. He believed in me!
- My PO is very personable, supportive and excellent PO!!!
- I think my PO takes on a huge load of a lot of ungrateful blaming people! If we do our part, he doesn't have to lock us up. It only took one time for me to get locked up. I love my PO for being himself, and pray only to see him on the outside doing good things with my life. Thanks to everyone for making me realize my mistakes and helping me see how much worse it could have been!
- I am very happy with my PO. He has helped me out a great deal and I know I can confide in him.
- I just want to say thank you for everything!
