

**PROBATE COURT OF GREENE COUNTY, OHIO**  
**THOMAS M. O'DIAM, JUDGE**

**ESTATE OF \_\_\_\_\_, DECEASED**  
**CASE NO. \_\_\_\_\_**

**SUPPLEMENTAL JUDGMENT ENTRY TO  
SUMMARY RELEASE FROM ADMINISTRATION**  
[R.C. §2113.031]

This Supplemental Judgment Entry is incorporated as part of the standard form Entry Granting Summary Release from Administration, Supreme Court Form 5.11. To the extent there is a conflict, the terms and conditions of this Supplemental Judgment Entry prevail over the standard form.

The Court orders that the Applicant for Summary Release must distribute all assets identified in the Application in the manner directed in the Entry, without further requirement of the Applicant regarding the following items:

1. There is no requirement for the Applicant to obtain an Employer Identification Number (EIN) or any other Federal Tax Identification Number based upon the nature of the case, as it does not constitute an estate administration.
2. There is no requirement for the Applicant to open a fiduciary checking account. The purpose of releasing an estate from administration is to permit the distribution of minimal probate assets directly to or into the name of the Applicant without the additional formalities required in a full estate administration. Therefore, the deposit, liquidation or processing of estate assets is permissible without opening a separate fiduciary account.
3. Any checks that are made payable to the estate or in the name of the decedent that are specifically listed on the Application may be deposited by or paid directly to or in the name of the Applicant for a Summary Release and processed pursuant to the Entry Granting Summary Release from Administration. These assets do not require a fiduciary checking account to be processed.

The provisions in this Supplemental Judgment Entry are only applicable to the action described above and are not applicable to an Administrator or Executor in a full estate administration proceeding.

Any assets that are not specifically listed in the Application for Summary Release from Administration and Entry Granting Summary Release from Administration are not covered by this Supplemental Judgment Entry.

It is so ordered.
