

Greene County **NON-PROFIT** GRANT PROGRAM

Applications Due on August 17th by 4pm.

The Greene County Community Improvement Corporation (CIC) has partnered with the Greene County Port Authority, and the Greene County Department of Development, to offer a new grant program to local non-profits.

The Greene County Non-profit Grant Program was created to aid non-profits with urgent, or critical funding requests. This grant program was designed to supplement existing programs at both state and federal levels.

Five grants awarded for \$5,000 each

1. The number of people served by the non-profit.
2. Will the project resolve a slowdown of daily operations?
3. Will the project resolve safety issues?
4. Will the project include matching funds from other sources

Additionally, disqualifiers include: operational expenses, research, fundraising, political causes, scholarships and faith-based causes benefitting only members of a certain faith.

Applications can be found on the Greene County Department of Development's website, under the Community Development tab.
