The Workforce Innovation and Opportunity Act (WIOA) was signed into law on July 22, 2014.

The purpose of the law is to:

- Increase opportunities for individuals, particularly those with barriers to employment
- Support alignment of workforce investment, education, and economic systems
- Provide workers with the skills and credentials to secure and advance employment
- Promote improvement in the structure and delivery of services
- Increase the prosperity of workers and employers
- Increase the employment retention and earnings of participants and the attainment of recognized post-secondary credentials

Our programs are offered to:

**Adults** over the age of 18, who are eligible to work in the United States of America and, if applicable, registered for Selective Service.

**Dislocated Workers** who have lost their job through no fault of their own.

**Youth** aged 14-24 who are:

- |                                    |                          |
|------------------------------------|--------------------------|
| Deficient in basic literacy skills | Runaway                  |
| Homeless                           | Foster child             |
| School drop-out                    | Pregnant or a parent     |
| Ex-offender                        | English language learner |
| Low income (in-school youth)       |                          |
